a.j. VENEKLASEN, INC. COMPLETES DICK'S MARKET IN DORR, MI

Grand Rapids, Michigan, August 18, 2008 — a.j. Veneklasen, Inc. (AJV) has completed the new Dick's Market, now located adjacent to the Dorr Retail Center at 1623 142nd Street in Dorr, Michigan.

The supermarket, which doubled its size to 27,655 square feet, boasts broader aisles for shoppers, spacious displays, and a larger meat department. The exterior façade blends half height masonry, metal and tinted glass to add to the aesthetics of the market.

"I couldn't have asked for a better General Contractor. The Supervisors and all their workmen were meticulous in their work and smoothed out any concerns we expressed. I was always impressed with the way they were so responsive to our needs and worked well with my project coordinator, Spartan Stores," said Steve Dutkiewicz President, Dick's Market.

Dick's Market, a full service Spartan Store, is an independent, family owned business for 53 years. They have their own custom butcher in-house and are known Statewide for their homemade kielbasa, sausage, jerky, and many other fine meats.

a.j. Veneklasen, Inc., founded in 1975 by Alan J. Veneklasen, offers a comprehensive package of services including design-build construction, general contracting and construction management services. AJV has completed projects for Fortune 500 companies as well as medium-sized and small businesses throughout the Midwest.
